Yes! You can turnaround very unmotivated, troubled, and violent K-12 children and youth

- You'll learn exactly what to say and do to prevent and manage behavioral, social, emotional, and school problems
- You'll master new methods that help even the most difficult and troubled students reach academic, behavioral, and social goals
- You'll master innovative, state-of-the-art techniques designed to work when conventional approaches fail
- You'll waste less time on behavior problems, and wondering what to do to best help students succeed— even work refusers, truants, and apathetic kids

Bring us your most serious "kid problems" Get immediate, problem-stopping answers

Every minute of this course is packed with real-world solutions to stop your most serious "kid problems." We have surprising motivation-makers, attendance-builders, and violence prevention tools so new that they weren't included in your training. Plus, you'll learn state-of-the-art, more effective methods for bullies, work refusers, gang members, abused, withdrawn, mainstream, and special ed kids. One site using these methods reported 100% employment, 80% of its drop-outs returned to school, and only 10% recidivated.

The BEST solutions for your WORST problems

If you work with students aged 5 to 18 who misbehave, refuse to work in school, are angry, apathetic, delinquent, depressed, defiant, or have ADHD or Asperger's, you'll use every one of the 200 innovative strategies packed into this workshop. If you're a teacher, special educator, counselor, justice worker or social worker, this intensive training immediately makes working with difficult kids less difficult.

"A fabulous, life changing two days."

Live, Online & On-Site Workshops

Breakthrough Strategies to Teach and Counsel Troubled Youth Workshop

If your training prepared you to work with Beaver Cleaver, but Beavis and Butthead show up, our *Breakthrough Workshop* has the updated tools you need. You'll receive problem-stopping, new methods designed to work when conventional approaches fail. You'll learn 200 of the most powerful strategies that exist—methods too new to have been part of your training. College credit and CEUs offered; see back page.

Coping Skills Problem-Solvers

Get the latest methods and tools to prevent or manage apathy, substance abuse and negativity. These innovative methods are more effective than conventional approaches, and can end the guessing about how to best manage coping problems. You'll learn dozens of violence prevention methods, temper and tantrum tamers, impulsiveness-busters, and how to help withdrawn, abused, depressed and sad youth.

School Skills Problem-Solvers

If you work with kids who don't act like students, then you need our surprising strategies to turnaround youth in school/job training. You'll discover how to stop the absences, disruption, work refusal, apathy, and non-compliance. Plus, you'll get maximum-strength motivation-makers that you'll use every day, along with surprising, unexpected methods to manage ADD, ADHD, disrespect, and Asperger's-affected students.

Social Skills Problem-Solvers

Many youth look, act and sound like they lack social skills. This workshop is the place to get the newest and best methods to teach personal space and distance, accountability, opposite-gender interaction skills, diversity skills, and positive peer interaction. You'll also get essential information on managing conduct disorders, bullies, gang-involved youth, and delinquents.

Instructor: Veteran trainer Ruth Herman Wells M.S. is a columnist for SEEN Magazine, and the author of 21 books. Ruth was named a top 10 U.S. Education Speaker by SpeakerMix in 2011. Ruth knows "all about disruptive kids," says *The Portland Oregonian*. She managed model youth programs; her work has been featured in *The Orlando Sentinel*, *The Child Welfare Report*, and *Adolescence Magazine*.

Ruth has trained thousands of teachers, counselors, and justice workers throughout North America. Ruth's lively presentation style is compelling and unforgettable.

Workshop Schedule: *Day 1:* Introduction, Favorite Interventions, Coping Skills Strategies. *Day 2:* School and Social Skills Strategies. Total 200 new strategies, 10 hours.

Online Workshops: The Breakthrough Online Workshop has 10 free CEUs and \$45 college grad and undergrad credit. Plus, get other online classes on motivation, violence, more for \$39, with free CEUs: youthchg.com/webinar.
