Ruth,

On behalf of IYI and the youth workers we serve, I want to thank you for presenting yesterday at our Kids Count in Indiana conference.

The response to your workshops has been overwhelmingly positive. The strategies and interventions are so practical and real that the front line youth workers are able to use them the very next day.

You speak with such a passion and love for youth. It shows in your presentations that you carry great experience. I have thoroughly enjoyed working with you the past few months and look forward to more opportunities in the future! Thanks again,
Karen
