Ruth--

I wanted to thank you for your presentation to the Millington Central High School faculty on Wednesday. The reaction of the faculty was very enthusiastic, and several teachers told me they felt the session was extremely valuable. My only regret is that I did not see the entirety of your presentation. However, I have discussed the portions I missed with several teachers already, and your ideas have provoked thought and reflection. Thanks again for your organization and communication. I wish you the best of luck with your business and look forward to speaking with you in the future.

Sincerely,

Ted Horrell
